More About Our Program

PROGRAM DETAILS

Price: \$26 per person
\$10 Teacher / Guardian

Duration: 1.5 hours

Location: Siloso Point, Sentosa (Siloso Beach)

Website: www.conutink.com/about-us/ecosystem

Contact: info@conutink.com
+65 9685 5573

01. Edu-Talk

Discover what made Co+Nut+ink stand out from other ice-cream, the health benefits of coconuts, how we are taking part in the Fair-Trade program, and so much more!

02. Awaken Your Senses

Here, you will use your senses to learn the different parts of the coconuts, how to differentiate young versus old coconuts and even get a closer look on how we prepare our husks for recycling!

03. Have Fun and Be Proud!

Finally, take part in our games and indulge in our famous coconut ice-cream + fresh coconut water. After that, you may exchange your husk with a recycled one, decorate it and fill with soil & a plant! Bring it back home and share it with your loved ones about your learnings of being an environmentalist and agriculturalist!
