ECO-CATIONAL PROGRAMME®

Jump into our Eco-cational Programmes® and see how we mix learning with fun!

Our journeys are made to teach and inspire, giving you hands-on experiences that cover sustainability, the health perks of coconuts, and fair trade practices.

Savour the taste of Planet Kindness

Welcome to Co+Nut+Ink, where every bite, sip, and smile is a step towards a kinder, greener planet. Our mission is simple: create delicious, sustainable, and ethically sourced products that are kind to animals, the earth, and people.

01. Edu-Talk

Explore what sets Co+Nut+Ink apart from other ice creams. Learn about the incredible health benefits of coconuts and how we're dedicated to fair and equitable trade practices. And that's just the beginning!

02. Awaken Your Senses

Engage your senses as you discover the various parts of the coconut. Learn how to differentiate between young and mature coconuts, and get an up-close look at how we recycle coconut husks into useful products.

03. Have Fun & Be Proud!

Join in our fun games and enjoy our famous coconut ice cream and fresh coconut water. Afterward, swap your husk for a recycled one, decorate it, and plant something special to take home. Share your experience as an environmentalist and agriculturalist with your loved ones!
